OUR VISION

To transform Muthwani Ward into a thriving, equitable, digitally empowered, and economically strong community through accountable leadership, sustainable infrastructure, and inclusive economic growth—powered by transparent public engagement through www.anthonydavidsmbaka.co.ke.

OUR MISSION

To deliver responsive, transparent, innovative, and results-oriented leadership that listens, serves, and acts—unlocking opportunities for men, women, youth, and persons abled differently through participatory development, digital tools, and measurable governance systems.

CORE VALUES

- Integrity
- Equity & Inclusion
- Action & Delivery
- Community Empowerment
- Transparency & Accountability
- Digital Innovation & Public Engagement

LEGAL & GOVERNANCE FOUNDATIONS

Our leadership and manifesto are rooted in:

1. The Constitution of Kenya, 2010 – Article 185

This defines the MCA's mandate:

- » Lawmaking – Creating policies for effective county governance
- » Oversight – Holding the County Executive accountable
- » Approval of Development Plans – Ensuring equitable distribution of county resources

2. County Governments Act, 2012 (No. 17)

This manifesto aligns with:

- » Sections 87–92: Public participation & community engagement
- » Sections 104–115: County planning, resource allocation & development
- » Sections 118–120: Monitoring, evaluation & reporting
- » Sections 30–39: Roles of the County Executive & Assembly

Through this legal framework, our promises are not political statements—

They are implementable, enforceable, and aligned with the law.

OUR THREE PILLARS OF IMPACT

1 SMART INFRASTRUCTURE THAT WORKS FOR ALL

Mandate: Making laws and approving development for a modern, connected and equitable Muthwani.

Pillar Summary: Build a connected, safe, educated, and healthy Muthwani.
