

ANTHONY DAVIDS MBAKA - MCA MUTHWANI WARD 2027

Infrastructure Development Manifesto

SLOGAN: Kazi Si Maneno – Leadership That Delivers

Muthwani Ward (0396), Mavoko (080), Machakos County (016)

WDM Patriotic Front (333555)

VISION

A connected, functional, and equitable Muthwani Ward where every road, school, clinic, market, and playground serves as a gateway to dignity and opportunity.

MISSION

To deliver an inclusive, modern, and sustainable infrastructure transformation through public participation, smart partnerships, and results-driven leadership.

CONSTITUTIONAL MANDATE

Under Article 185 of the 2010 Constitution, MCAs are mandated to:

- 1 Legislate for effective county performance
- 2 Oversee the County Executive
- 3 Approve plans and policies for equitable development

INFRASTRUCTURE PILLARS

Road Network Transformation

Connecting every corner of Muthwani: Muthwani, Katani, and Ngelani, including Joska, Githunguri, Eka Tano, Kamulu, Nduvoini, Utawala-Airways.

Actions:

- Full ward-wide road audit
- Tarmacking major access roads
- Murram grading & proper drainage for feeder roads
- Public forums to prioritize critical routes

Partners: KURA, KeRRA, Machakos County Roads Dept.

Outcome: Safe, accessible, and resilient road networks.

Market Centres as Engines of Growth

Upgrading centres from Joska, Katani, Eka Tano, Githunguri, and Nduvoini.

Actions:

- Rehabilitate access roads & feeder networks
- Sanitation blocks, clean water, solar lighting
- Organize trading zones via phased planning

Partners: County Trade Dept, WEF, Uwezo Fund, CSR Initiatives

Outcome: Vibrant, organized, and profitable markets.

Education, Health & Recreational Infrastructure

Upgrading ECDEs, primary, secondary schools, and health centres.

Actions:

- Classrooms, sanitation, boundary walls, learning amenities
- Playgrounds through CSR and NGO collaborations
- Equipping dispensaries & public health centres
- Safe access roads & emergency exits

Partners: Ministry of Education, Ministry of Health, Sports Kenya, County Education & Health Depts.

Outcome: Learning, wellness, and youth development for all.

Digital Infrastructure – Civic Engagement Hubs

Actions:

- Digital Access & Communication Centres in main wards
- Free internet, bursary forms, eCitizen & Huduma services
- Public notice boards & feedback desks for transparency

Partners: ICT Authority, Huduma Kenya, eCitizen Platforms

Outcome: Digital inclusion, civic participation, and informed communities.

Lighting, Drainage & Safe Public Spaces

Actions:

- High-mast & solar streetlights in estates & markets
- Proper drainage for roads & public spaces
- Youth group partnerships for maintenance & cleanliness

Partners: County Water & Sanitation, youth organizations

Outcome: Safe, clean, and accessible public spaces.

Utilities & Housing Infrastructure

Actions:

- Extend piped water & upgrade boreholes
- Advocate for affordable housing near Joska & Katani
- Improve planning enforcement & fire emergency access

Partners: MavWASCO, Tanathi, County Housing & Planning

Outcome: Reliable utilities and safe housing.

Partnerships for Lasting Impact

Integration with CIDP priorities, public-private partnerships, NGO & CSR initiatives, data-driven project mapping, and community-led prioritization.

Outcome: Transparent, cost-effective, and community-first infrastructure development.

POST-2027 ENGAGEMENT WITH COUNTY GOVERNMENT & PARTNERS

- Active collaboration with County Executive & Departments to implement approved projects
- Regular performance monitoring & public reporting via digital dashboards
- Strengthening national agency partnerships (KURA, KeRRA, MavWASCO, KPLC, Ministry of Health & Education) to scale impact
- Institutionalizing ward-level oversight and public forums for accountability
- Leveraging CSR & NGO support for sustainable infrastructure programs

Outcome: Measurable results, community satisfaction, and continuous improvement in service delivery.

FINAL WORD

This manifesto meets residents where they are: broken footpaths, dark corners, flooded roads, under-equipped schools and clinics.

We are building a new Muthwani with ****clarity, commitment, and community collaboration****.
